SITUATION REPORT #1 ON WINTER WEATHER

Tue, 08 Dec 2009 11:50:00 -0600

Wisconsin Emergency Management - The State Emergency Operations Center (EOC) was activated beginning at 8:00 a.m. today with minimal staffing to monitor the winter storm. Staff from Department of Military Affairs, Wisconsin Emergency Management, Department of Transportation, and the State Patrol are in the EOC.

Department of Transportation and State Patrol - Report no incidents in the Southeast and Southwest Regions. There have been some minor slide-offs have been reported in the Southwest Region. Oversized and overweight trucking permits have not been suspended.

Information and updates will be posted to Emergency Management's website, <http://emergencymanagement.wi.gov/> and [Twitter](#).

LaCrosse National Weather Service has scheduled a Webinar at 1:00 p.m. and Milwaukee National Weather Service at 3:00 p.m.

For further information, contact Wisconsin Emergency Management at 608-242-3232.
