Homeland Security Funding Opportunity Schedule 2014

In FFY2014, Wisconsin will receive a total of \$3,978,000 in State Homeland Security Program (SHSP) grant funding. The grant funding opportunities outlined in this document constitute Wisconsin's Investment Budget for federal fiscal year (FFY) 2014. Further information about each Investment and the individual projects can be found on the WEM website in the [FY14 Proposal Summaries for Public Notice](#) document.

The Homeland Security grant program, funded through FEMA, helps to protect Wisconsin's communities by building the capacity to prevent, respond to, and recover from a catastrophic incident. DMA/WEM is the State Administrative Agency (SAA) for the program.

DMA/WEM works directly with a broad spectrum of emergency response agencies at all levels of government in developing Investments to improve the state's preparedness through planning, training, exercising, and the acquisition of specialized equipment. The homeland security grant program focuses on a number of priorities that include building interoperable communications, improving information sharing, developing regional emergency response, and increasing community preparedness.

Wisconsin's Investments support the 2012-2015 State Homeland Security Strategy, which was updated by the Homeland Security Council and approved by Governor Scott Walker in July 2012. The strategy, available for download at <http://hsc.wi.gov/category/reports/>, serves as the guide for homeland security funding. In addition to supporting the statewide strategy, the Investment Budget is also designed to meet key federal grant requirements, such as the allocation of at least 25% to law enforcement activities and a pass-through of 80% to local governments. The local pass-through requirement is met by a combination of direct grants and agreements between state and local agencies.

The state's draft Investment Budget was developed through outreach to the public safety and emergency management communities through a number of working groups and committees used by DMA/WEM. The projects funded in these Investments were reviewed and prioritized by the Homeland Security Funding Advisory Committee on April 30, 2014. The committee consists of representatives from local fire and law enforcement agencies, EMS, tribal public safety, state agencies, non-profits, and the private sector. Local representatives are appointed by the state's public safety associations. Current membership of the committee represents the following organizations:

- Badger State Sheriffs Association Department of Natural Resources
- Wisconsin State Fire Chiefs Association Department of Transportation
- Wisconsin Chiefs of Police Association Dept. of Ag, Trade and Consumer Protection
- Wisconsin EMS Association Department of Administration
- Wisconsin Emergency Management Assoc. Department of Health Services
- WI Tribal Emergency Mgmt. Assoc. Department of Justice
- Voluntary Organizations Active in Disaster Wisconsin Emergency Management
- SE WI Homeland Security Partnership Department of Children and Families

Homeland Security Funding Opportunities 2014

Investment	Available Grants	Open Date	Type	Eligible Applicants
Communications Interoperability	IFERN Base Station for MABAS	September 2014	Invited	Oconto County Richland County St. Croix County
	WISCOM Operations Software	September 2014	Invited	DOJ/CIB
	Regional Interoperability Coordinators	October 2014	Invited	Dane County, Calumet County, City of Milwaukee, Douglas County, NCWRPC, WSWRPC
	WISCOM Enhancement	January 2015	Invited	City of Oak Creek
Critical Infrastructure	Food & Agriculture Security	August 2014	Invited	DATCP
Cyber-Security	SLTT Cyber Team Training	August 2014	Invited	DOA/DET

Intelligence & Information Sharing	Wisconsin Statewide Information Center	April 2015	Invited	DOJ/DCI
	Southeastern Wisconsin Threat Assessment Center	August 2014	Invited	Milwaukee PD
NIMS Implementation	Local Exercises	August 2014	Competitive	Counties & Tribes
	State Training & Exercising Officers	December 2014	Invited	WEM/BPP
	Mission Support Position	August 2014	Invited	WEM/BPP
	Local NIMS/ICS Training	May 2015	Invited	WEM/BPP
	State & Local Collaboration Exercises	January 2015	Invited	TBD
Emergency Regional Response Teams	ALERT Training	November 2014	Invited	ALERT Teams
	ALERT Equipment	November 2014	Invited	ALERT Teams
	WI-TF 1 Training & Equipment	December 2015	Invited	WEM REACT Center
UASI Planning & Implementation	UASI Coordinator	August 2014	Invited	City of Milwaukee
	Recovery Support Function Template	August 2014	Invited	Milwaukee County
Whole Community Preparedness	Community Preparedness Coordinator	May 2015	Invited	WEM BPP
	UASI Public Private Partnership training	August 2014	Invited	Waukesha County
	READYWI Campaign	September 2014	Invited	WEM PIO

Grant open dates on this table are subject to change. Grant deadlines and performance periods will be detailed in the Grant Announcement for each opportunity. The grant opportunities will be posted on the Wisconsin Emergency Management website at:
