The grant funding opportunities are a part of Wisconsin's investment budget for federal fiscal year (FFY) 2016. In FFY2016, Wisconsin will receive a total of \$3,978,000 in State Homeland Security Program (SHSP) grant funding.

The grant program, funded through FEMA, helps to protect Wisconsin's communities by building the capacity to prevent, respond to, and recover from a catastrophic incident. DMA/WEM is the State Administrative Agency (SAA) for the program.

DMA/WEM works directly with a broad spectrum of emergency response agencies at all levels of government in developing investments to improve the state's preparedness through planning, training, exercising, and the acquisition of specialized equipment. The program focuses on a number of priorities that include building cyber response capability, improving information sharing, developing regional emergency response, and increasing community preparedness.

Wisconsin's investments support the State Homeland Security Strategy, which serves as the guide for homeland security funding. In addition to supporting the statewide strategy, the investment budget is also designed to meet key federal grant requirements, such as the allocation of at least 25% to law enforcement activities and a pass-through of 80% to local governments. The local pass-through requirement is met by a combination of direct grants and agreements between state and local agencies.

The state's draft investment budget was developed through outreach to the public safety and emergency management communities through a number of working groups and committees used by DMA/WEM. The projects funded in these Investment Justifications were reviewed and prioritized by the Homeland Security Funding Advisory Committee on April 12, 2016. The committee consists of representatives from local fire and law enforcement agencies, EMS, tribal public safety, state agencies, non-profits, and the private sector. Local representatives are

appointed by the state’s public safety associations. Current membership of the committee represents the following organizations:

- Badger State Sheriffs Association Department of Natural Resources
- Wisconsin State Fire Chiefs Association Department of Transportation
- Wisconsin Chiefs of Police Association Dept. of Ag, Trade and Consumer Protection
- Wisconsin EMS Association Department of Administration
- Wisconsin Emergency Management Assoc. Department of Health Services
- WI Tribal Emergency Mgmt. Assoc. Department of Justice
- Voluntary Organizations Active in Disaster Wisconsin Emergency Management
- Milwaukee Urban Area Security Initiative Department of Children and Families
- SE WI Homeland Security Partnership

Homeland Security Funding Opportunities 2016

Investment	Available Grants	Open Date	Type	Eligible Applicants
Communications Interoperability	IFERN Base Station for MABAS	August 2016	Invited	Price County Door County Waupaca County Buffalo County Clark County Trempealeau County
	Regional Interoperability Coordinators	November 2016	Invited	Calumet County, City of Milwaukee North Central WI Regional Planning Commission
