WEM to Present Hazard Mitigation Planning Workshop

For counties considering developing a mitigation plan (or updating an existing plan), Wisconsin Emergency Management's Hazard Mitigation Staff will offer a Hazard Mitigation Planning Workshop in mid-August. This no-cost event is open to anyone interested in the planning process.

The workshop will focus on the hazard mitigation planning process, the plan components and how the plan can be a vital component of a community's disaster recovery process.

Event Details:

Wednesday, August 18, 2010

8:30 a.m.-3:00 p.m.

Vilas County Justice Center, 330 Court Street, Eagle River, WI 54521

To reserve a spot for this event, please contact Lynsey Kawski at 608-242-3222 or lynsey.kawski@wi.gov by Wednesday, August 11, 2010.
