Name of Organization: _____

D-U-N-S number: _____

Dun & Bradstreet (D&B) DUNS Number

What is it and why does my institution have to provide it?

A DUNS number is a unique nine digit identification number that is free for all businesses required to register with the US Federal government for contracts or grants. Any entity that has applied for any sort of federal funding in the past should have a DUNS number already assigned. MB has adopted the use of DUNS numbers as a way to keep track of how federal grant money is dispersed. To learn more about the policy, you can read the [Federal Registrar Notice](#) (4-page PDF).

How do I find out my institution's DUNS number?

You should ask your institution's grant administrator or chief financial officer to provide your institution's DUNS number. Research universities and most colleges, independent libraries, and large organizations already have DUNS numbers. To check to see if your organization has a DUNS number already assigned, please use this link: <http://fedgov.dnb.com/webform/CCRSearch.do?val=1>

What if my institution does not have a DUNS number?

The chief financial officer or authorizing official of your institution will need to register for a DUNS number. Below is the telephone number and information that will need to be provided by any applicant that does not have a DUNS number.

Contact the D&B Government Customer Response Center
U.S. and U.S Virgin Islands: 1-866-705-5711
Monday - Friday 7 AM to 8 PM C.S.T.

The process to request a D-U-N-S® Number by telephone takes between 5 and 10 minutes.

You will need to provide the following information:

- Legal Name	- Number of Employees
- Physical Address	- Mailing Address
- Telephone Number	- Contact Name
- SIC Code (Line of Business)	- Tradestyle, Doing Business As (DBA), or other name by which your organization is commonly recognized

E-mail Address: _____

WEM requires that you have an e-mail address for the person managing your grants. This will help us communicate quickly and effectively with you throughout the process of your various projects.

Applicant WI Tax ID: _____

When the State of Wisconsin requests checks for payment we need the WI Tax ID for that jurisdiction/agency/non-profit prior to making any payments. Some applicants will be asked to submit a W-9 to verify their Tax ID if they have never received a check from the State system (typically applies only to non-profits).

DUNS NUMBER REQUIRED FOR ALL APPLICATIONS

Dun & Bradstreet (D&B) keeps track of more than 70 million businesses world-wide through its Data Universal Numbering System (DUNS). In recent years, the DUNS number has become increasingly important to both federal and local governments, and national arts organizations.

First, the federal government, adopted a new policy that requires all organizations to provide a DUNS number as part of their grant applications. Even Subgrantees are now required to obtain the DUNS number on their applications.

There is no fee for registering for a DUNS number. Organizations may register by phone or online. However, online registrations may take up to 30 days, so it is important that you begin the process now.

What's the easiest way to get a DUNS number?

It only takes a day to get a DUNS number from D&B by phone (you may be on hold for a little while), but Internet applications can take up to 30 days! Note that an authorizing official, not a project director, of the organization should request a DUNS number.

Call D&B's special toll-free number for federal grant applicants: **1-866-705-5711**. When you call, tell the operator that you are applying to a federal grant program and need to register for a DUNS number. The process will take about ten minutes. You will be asked to provide the following information (subject to minor changes):

- Legal name of organization
- Physical address (and PO box if you have one)
- Telephone number
- Web address
- Name of the authorizing official (e.g., president, director, etc.)
- The purpose of your organization (e.g., non-profit dance company to perform and create work)
- Total number of employees

Your organization can also register for a DUNS number via **D&B's Web site**. Choose the "DUNS number only" option. **Please note that registration via the website may take up to 30 business days to complete.**
