Brian M. Satula  
Administrator

Scott Walker  
Governor

**DATE:** July 28 2011 4:00 pm

**TO:** Governor Scott Walker

**FROM:** Brian M. Satula, WEM Administrator

Another heat related death has been confirmed by the Wisconsin Department of Health Services. According to the Sauk County Coroner, an 87 year old City of Reedsburg woman was found dead in her trailer last week. The trailer apparently did not have air conditioning.

This is the fourth confirmed heat related death in Wisconsin that occurred during last week's heat wave.

Wisconsin Emergency Management continues to monitor the situation for heat related issues and other events.
